

*To be a proactive voice
for the entire Germantown community
by allying businesses, organizations and individuals
to promote our common good.*

The Germantown Alliance, founded in 1976, is enthusiastically beginning its 32nd year. Much has changed in Germantown over the past three decades, but the mission of the ALLIANCE remains much the same:

“To be a proactive voice for the entire Germantown community by allying businesses, organizations and individuals to promote our common good.”

The GERMANTOWN ALLIANCE has been instrumental in lobbying our State and County governments for needed improvements and services in Germantown, from sidewalks, schools, libraries and pools, to the Black Rock Center and design of the Germantown Town Center. We seek to continue our role as Germantown’s voice.

As we embark upon the coming year, we are making extra-special efforts to reach out to the community in an attempt to encourage the participation of all segments of our community. If you would like to help us make Germantown as good as it can be for those of us who live and work here, we would like to ask you to join us.

Our members are classified into three categories: Businesses, Organizations and Citizens. Businesses and Organizations who join the Alliance designate a representative who is entitled to vote on behalf of the member. The annual membership dues are as follows:

Business	\$40
Organization	\$30
Citizen	\$25
